ABOUT THE ADR COMPETITION

Alternate Dispute Resolution (ADR) is a mechanism that provides with an alternate method of dealing with legal issues. The decision is made either amicably or through adversarial methods. The lack of effective legal remedies to people in need has resulted in piling up of unsettled cases. In order to reduce the burden so caused, the ADR system has come into play. The Kerala Law Academy Moot Court Society is organising the Sixth Kerala Law Academy ADR Competition. The ADR Board of Kerala Law Academy aims to provide opportunities to the students to learn and explore the alternate forms of dispute resolution which will enable them to amplify their abilities and legal knowledge
