ABOUT THE KERALA LAW ACADEMY LAW COLLEGE TRIVANDRUM

The Kerala Law Academy Law College, established in 1966 by the legal luminary Late Dr. N. Naryanan Nair, who is the founder head of the institution, is a seat of excellence in legal education, consultancy, research and in pioneering law reforms. The prestigious institute of Kerala Law Academy is situated in Thiruvananthapuram, the capital city of Kerala, India, on a hill in the midst of sylvan splendour silhouetting the blue sky. The liberal ambience of the research wing "Center for Advanced Legal Studies and Research" (CALSAR), is facilitative to kindle novel thoughts and ideals. The 'Academy Law Review' which has won international acclaim ever since its appearance in print in 1977 is evocative of the true spirit of the Kerala Law Academy.

The Kerala Law Academy Law College is a front runner when it comes to academics and extracurricular activities which is evident from the constant deliberation on the part of the Kerala Law Academy to provide the best stimulating atmosphere to the students to harbour and bring out the polished version of themselves through various events of national and international importance. The moot teams of the Academy are the baton bearers of the competitions of the new era. Academy's social commitment is embedded in its socio-legal clinics and consultancy services. The Kerala Law Academy Law College is affiliated to the University of Kerala. The Kerala Law Academy is always a pacesetter in bringing out the untapped nuances in the dynamics of inculcating erudition. The state-of-the-art methods of education apposite to meet the needs of the changing times is a thunderous example of the same. Teachers who are adept in their respective discipline are strongly encouraged to nurture students. The global standards set at KLA in the field of teaching and research spur us on in our relentless pursuit of excellence, making it more or less a way of life.

ABOUT

KERALA LAW ACADEMY LEGAL AID CLINIC AND SERVICES

In an effort to foster social progress, the Government of India has repeatedly emphasized the importance of Legal Aid and Awareness Campaigns. As a means towards achieving 'Social, Economic and Political Justice, legal aid is crucial for the attainment of the ideals enshrined in our constitution and under the Directive Principles of State Policy. Access to justice can be ensured more effectively and efficiently by making people aware of the legal system. Accordingly, the Bar Council of India directed all law schools and universities in India to launch legal aid clinics. In addition to fulfilling educational standards, it was also intended to engage students in service to societies. These clinics and programs promote legal awareness in society. Legal aid clinics in law colleges marked a new era in legal education. Practice-based legal education opens broader access to the legal profession and enables the development of skills required for the profession. The students' real-life experiences provide them with the chance to develop critical thinking skills and analytical skills. Since 1973, Legal Aid Clinics were working successfully at Kerala Law Academy. At KLA, we offer Legal Aid Clinic and Legal Services to raise awareness and educate society on legal issues. We offer services and education to individuals living nearby campus who lack access to legal protection due to their lack of resources or vulnerability. "Wings for Justice" is our motto. We make the students foremost in the legal profession as well as equip them to open helping hands to society by providing legal awareness. We have organised a one-week legal awareness programme "LAWOJ 2026" (LAW ACADEMY WINGS OF JUSTICE) with the intention of training the young lawyers for providing legal awareness to the society in future, being held from January 19th 2026 to 24th January 2026.
