About The Kerala Law Academy Law College Thiruvananthapuram

The Kerala Law Academy Law College, established in 1966 by the legal luminary Late Dr. N. Naryanan Nair, who is the founder head of the institution, is a seat of excellence in legal education, consultancy, research and in pioneering law reforms. The prestigious institute of Kerala Law Academy is situated in Thiruvananthapuram, the capital city of Kerala, India, on a hill in the midst of sylvan splendour silhouetting the blue sky. The liberal ambience of the research wing "Center for Advanced Legal Studies and Research" (CALSAR), is facilitative to kindle novel thoughts and ideals. The 'Academy Law Review' which has won international acclaim ever since its appearance in print in 1977 is evocative of the true spirit of THE Kerala Law Academy. The Kerala Law Academy Law College is a front runner when it comes to academics and extracurricular activities which is evident from the constant deliberation on the part of the Kerala Law Academy to provide the best stimulating atmosphere to the students to harbour and bring out the polished version of themselves through various events of national and international importance. The moot teams of the Academy are the baton bearers of the competitions of the new era. Academy's social commitment is embedded in its socio-legal clinics and consultancy services. The Kerala Law Academy Law College is affiliated to the University of Kerala.

The Kerala Law Academy is always a pacesetter in bringing out the untapped nuances in the dynamics of inculcating erudition. The state-of-the-art methods of education apposite to meet the needs of the changing times is a thunderous example of the same. Teachers who are adept in their respective discipline are strongly encouraged to nurture students. The global standards set at KLA in the field of teaching and research spur us on in our relentless pursuit of excellence, making it more or less a way of life.

About ADR Competition

Alternate Dispute Resolution (ADR) is a mechanism that provides with an alternate method of dealing with legal issues. The decision is made either amicably or through adversarial methods. The lack of effective legal remedies to people in need has resulted in piling up of unsettled cases. In order to reduce the burden so caused, the ADR system has come into play. The Kerala Law Academy Moot Court Society is organising the Seventh National ADR Competition. The ADR Board of Kerala Law Academy aims to provide opportunities to the students to learn and explore the alternate forms of dispute resolution which will enable them to amplify their abilities and legal knowledge.
